AIR PERMIT NO. CM-0420-0080**

The South Carolina Department of Health and Environmental Control (SC DHEC), Bureau of Air Quality, has received a Conditional Major Operating Renewal Permit Application for this facility, and has drafted an operating permit that, if approved, will limit the facility's potential to emit to below Title V Major Source thresholds, therefore restricting it from Title V Major Source status as defined in SC DHEC Regulation 61-62.70 "Title V Operating Permit Program." The draft permit is subject to review under SC DHEC Regulation 61-62.1; Section II G "Conditional Major Source Permits." This permit will enable the facility to comply with applicable State and Federal Air Quality Regulations when operated in accordance with the conditionals contained therein. The pollutant limitations and other permit conditions in this draft permit are tentative and open to comment from the public and the United States Environmental Protection Agency (EPA). If approved, this draft permit will supersede the existing Conditional Major Operating Permit issued to this facility on September 15, 2000.

Interested persons may review the draft permit, engineering calculation sheets, and other materials maintained and used by DHEC in preparing this permit, and submit written comments (including the permit number and facility name), by September 9, 2005, to the attention of: Ms. Alyson Hayes at the above DHEC address. All comments received by September 9, 2005 will be considered when making a final decision regarding the draft permit. Where there is significant amount of public interest, DHEC may hold a public hearing to receive additional written and oral comments. Requests for a public hearing should be made in writing to the attention of Ms. Donna Moye at the above DHEC address or by e-mail at: moyedd@dhec.sc.gov. If a public hearing is requested and held, notice will be given in this publication thirty (30) days in advance. Request for contested case hearings may be filed after a final decision has been made. Information regarding contested case hearing is available from the Office of General Counsel at the above DHEC address or by calling (803) 898-3350.
